

CHALLENGE: Once Aurora Health Care affiliated with Advanced HealthCare in 2008, it was clear that a hospital was needed in Ozaukee County, where many of Advanced Health Care's patients reside. Ozaukee County is the only county in the state with only one hospital.

Aurora Grafton

EXECUTION & RESULTS: The Lynne Broydrick Group was engaged to work with elected officials as well as all AHC and AdvHC staff, the town and community at large to assure a positive vote and attain approval through delivery of all necessary permits. This project is now under construction.
